Scholarships are limited to students who demonstrate financial need and reside in a rural county that is economically distressed and/or tobacco dependent. A scholarship recipient who resides in an eligible county upon initial award will retain eligibility and will be eligible for renewal awards if the student's place of residence is within the state of North Carolina and the other scholarship eligibility criteria are met.

*Qualifying counties are updated each December for the four-year program and each fall for the community college program. Qualifying counties are subject to change each year.
