

Timeline for Open Grants Program and Economic Catalyst Cycle

Letters of Inquiry and full proposals[†] in the Open Grants Program and proposals in the Economic Catalyst Cycle will be presented to the Golden LEAF Board for consideration as quickly as possible. The dates below are intended to give applicants an indication of the dates by which information in those programs must be submitted to the Foundation to **assure** consideration at a particular meeting of the Golden LEAF Board; however, Golden LEAF staff will work diligently to present Letters of Inquiry and full proposals in those programs to the Board as quickly as possible, even if submitted after the dates outlined below.

Other grant programs, such as the Community-Based Grantsmaking Initiative and other periodic special initiatives, may have different deadlines. Please review program-specific guidelines for more information.

Please contact staff with any questions.

Golden LEAF reserves the right not to review any Letter of Inquiry or proposal that does not comply with application requirements.
