### **Discuss a Project with Golden LEAF**

<http://www.goldenleaf.org/cbgi-contact>

## **Key Dates**

### **April 19, 10am - 3pm**

Gathering event held in Jacksonville featuring breakout sessions on priority areas, Rural Center training, and a step-by-step overview of project worksheet development. Visit the Golden LEAF website for registration link.

Project worksheet form will be available online following the April 19 gathering.

### **June 1, by noon**

County Managers may submit initial project worksheets via email to Golden LEAF for review and feedback. Golden LEAF will schedule meetings with County Managers to review submitted projects. There is no cap on the number of projects eligible to be submitted in this phase.

Regional projects may submit project worksheets directly to Golden LEAF for review and feedback.

### **July 11, by noon**

County Managers submit the final list of projects endorsed to apply to Golden LEAF. Each county may submit four projects that total up to \$2m.

Regional projects submit a form confirming their intent to apply. *Regional projects must meet with Golden LEAF staff prior to the July 11 project deadline to request regional designation and are encouraged to do so as early as possible.*

### **August 16 & August 25, 1:30pm - 4:30pm**

Mandatory virtual application workshop held for endorsed applicants to (two options, only one required). Golden LEAF staff will review specific requirements of the application.

### **October 20, by noon**

Applications due to Golden LEAF via online application portal. Link to be provided following application workshops.

### **October 21 - December**

Golden LEAF staff reviews applications and conducts due diligence. Golden LEAF anticipates that in person site visits will be scheduled in November and early December.

### **February 2, 2023**

Golden LEAF Board reviews applications and awards funds for projects.
